Conflict Free Material

Tellurian[®] Technologies, Inc. in order to keep accordance with Section 1502 of the Dodd-Frank Act has taken appropriate action to avoid any illegal and unethical metal sourced from the Democratic Republic of the Congo and other conflicted areas. The metals connected to this Act are:

Tantalum (Ta)
Tungsten (W)
Cobalt (Co)
Gold (Ag)
Tin (Sn)

of which are used in some of our current products. Tellurian[®] Technologies, Inc. signifies that is has not nor will ever to the best of it's knowledge be used these materials from nations specified under the Dodd-Frank Act.

Tellurian[®] Technologies, Inc. will diligently survey our supply chain for the origin of the metals in components and material purchased in the future.

Issued Date: January 16, 2013
